

Gardiner - October 16, 2024

The Kennebec Valley Chamber of Commerce partners with the Gardiner School Department to transport 7th graders on a day-long tour of different Chamber member businesses to expose the students to all the great opportunities that are right HERE in the Kennebec Valley! 150-200 students will participate.

GOALS & TAKEAWAYS

We will expose the students to a variety of jobs and workplaces.

Students will learn about educational opportunities to train for these jobs, hear the stories from people in these jobs

Students will learn about the importance of "soft skills" such as showing up on time, working as a team member, and positive attitudes.

This will become an annual event for 7th graders and become a valuable part of their education and curriculum.

This will eventually benefit area businesses and our economy by developing our future workforce.

This model can and will be replicated by other Chambers in Maine and perhaps other states.
